

Shepherd's Table: Bright Meal Sponsorship Agreement

Join us in setting a bright table! Throughout the year, individuals, families, businesses, and groups can sponsor a Bright Meal and give the gift of a nutritious, hot meal to our clients at Progress Place. This special meal allows the sponsor to help decide and cover the cost of a menu for meal guests with the added option of volunteering with your group, family, or team. It is a fantastic way to give back and engage with our Shepherd's Table community.

As partners in a successful Bright Meal, Shepherd's Table will provide the following support and recognition:

- Shepherd's Table will provide extra help (if needed) to assist volunteers during the meal service
- Recognition on Shepherd's Table social media platforms, website, and newsletter, as possible

Please mark which meal service option you would like to sponsor and whether you would like Shepherd's Table chefs to determine the menu or work with the team to help plan the menu. An additional donation is suggested to consult the culinary team to select a special menu. **Please note** to check the box if you will provide volunteers to prepare and serve the meal.
